HELPING YOUR CHILD JOIN LITTLE SPARKS & PRE-SCHOOL GLOW

BiBLiCAL BASED FAITH!

Little Sparks is a program of INKids. It caters for children that are 1 years + and walking, up to the age of 3. Pre-School Glow caters for children aged 3 - the year before kindergarten.

We work with families to provide a foundational teaching that God loves us. We provide teaching, praise, and a small morning tea, as well as helping them feel loved and accepted. We work with you to help your child feel comfortable away from you, allowing you valuable time in church.
